

Press Release

13 November 2018

Completed investigation

On 13 September 2018, the FRC adopted the investigation report on the audits of the consolidated financial statements of a listed entity for the years ended 31 March 2006 to 2009.

The FRC found that the auditor and the engagement partner failed or neglected to observe, maintain or otherwise apply certain professional standards in the relevant audits in relation to the recognition of revenue from prepaid service contracts in the relevant financial statements.

The investigation revealed that the auditor and the engagement partner failed to properly plan and perform the audits to obtain sufficient appropriate audit evidence in relation to the recognition of revenue from prepaid service contracts in accordance with the relevant provisions of Hong Kong Standard on Auditing (HKSA) 315 *Understanding the Entity and its Environment and Assessing the Risks of Material Misstatement*; HKSA 330 *The Auditor's Procedures in Response to Assessed Risks* and HKSA 500 *Audit Evidence*.

The investigation report has been referred to the Hong Kong Institute of Certified Public Accountants to determine if any disciplinary actions are warranted. Names of the relevant parties are withheld because of the potential disciplinary proceedings.
