AFRC fully supports the 2023 District Council Ordinary Election – 1210 cast your vote at DC election for a better community

The Accounting and Financial Reporting Council (**AFRC**) fully supports the 2023 District Council (**DC**) Ordinary Election to be held on 10 December 2023.

The election is the first major territory-wide election after improving the district governance system and reforming the DCs. This is of critical importance for the citizens of Hong Kong to cast their votes to elect the most capable and suitable candidates. This will ensure that the DCs will function effectively to support the Government in the implementation of district policies and improve the livelihood, environment and well-being of the districts.

Dr Kelvin Wong, Chairman of the AFRC, remarked, “The DC Election is a very important election for Hong Kong and its citizens. A better community is vital for the continuous growth and success of Hong Kong as a vibrant international city. I strongly encourage the accounting profession and their families to fulfil their civic responsibility and cast their votes on the election day.”
